U.S. DISTRICT COURT  
E.D.N.Y.

Dear Hon. Azrack:

I am the plaintiff in this case and write to request a first-time extension of time to oppose defendants' Town of Hempstead and Ryan Costigan's motion dated 12/23/2020.

The parties' have stipulated to a new briefing schedule and a copy of that stipulation is attached hereto. Defendant County of Nassau takes no position on the extension on the ground it is "not the movants in this instance and as such do[es] not have the authority to grant your request" for an extension.

The reason for the extension is that I intend to file opposition electronically, but a decision on my unopposed motion for permission to participate in electronic case filing [Doc. 26] filed on 11/25/2020 remains outstanding.

I tried to file this letter "by ECF at least 48 hours before the deadline" of 2/3/2021, but could not because:

- I have not yet received permission to participate in electronic case filing [Doc. 26].
- The courthouse was closed on 2/1/2021 and 2/2/2021 due to inclement weather and when I telephoned courthouse security, no one answered the telephone.
- I do not own a vehicle that could safely travel to the courthouse on 2/1/2021 or 2/2/2021.

Thank you.

Sincerely,

Donald Rozz
